Western CoC,

HUD Grant #PA0309L3E011811 was transferred from Crawford County Commissioners to Crawford County Mental Health Awareness Program (CHAPS). The Commissioners were wanting to get out of their HUD Grant responsibility, so a transfer to the current subrecipient of the grant was a good option. Since the current grant was transferred to CHAPS, the renewal will need to be submitted with CHAPS as the applicant.

Thank you,

CARRIE LINZ

Hi Pat - thanks for your time to talk over your renewal application this morning. I am writing to confirm that your organization, Venango County Human Services, will be voluntarily reallocating your renewal project with Grant # PA0541L3E011803. With this voluntary reallocation, you are aware that your organization will not have access to future funding beyond the FY2018 renewal application unless your organization reapplies for a new project in future CoC funding rounds.

Thank you for letting us know about your organizations decision,
Leigh Howard, CoC Consultant for the Western PA CoC

Subject: Re: Follow up- CoC renewal project application not received (Venango County MH Shelter Plus Care Renewal)

Hi Pat - thanks for letting us know. Just to clarify/confirm, not renewing your application during the FY2019 CoC application round means that you will be reallocating this project and it will not be eligible to renew during the FY2020 CoC Application process.

So we are all on the same page, please confirm that your intention is to either:

(A) close this project at the end of your FY2018 CoC grant award operating year;

(B) continue operating this project with other funding once your FY2018 CoC grant award expires; or

(C) renew the grant application this year in order to have access to CoC funding beyond your FY2018 grant expiration date.

Thank you, Leigh

Subject: Western PA CoC: Renewal Project Application - Instructions and Important Information

Dear Western PA CoC-funded Grantees-

Please read this important message about submission of Renewal Project Applications for the CoC NOFA Competition.

As part of the Western PA CoC's Consolidated Application for the 2019 CoC Competition, DMA will undertake a review of all renewal project applications prior to the submission of these applications into the e-snaps system by grantees. Instructions for submitting this information are provided below.

- **By August 6, 2019 at 5pm:** All agencies with renewal project applications are being asked to **provide a PDF of your completed Renewal Project Application(s)** exported from e-snaps.
- **The PDF of your Renewal Project Application should be submitted to Dropbox.** Attached to this email you will find a list of Dropbox links; each project will have its own unique link.
- **Please DO NOT SUBMIT your Renewal Project Application(s) in e-snaps.** If you accidentally submit the application, please contact us at westerncoc@pennsylvaniacoc.org and we will release the application back to you.
- **IMPORTANT CHANGE REGARDING PROJECT NAMES:**
 - When you set up your FY2019 renewal project in e-snaps, **you must insert the "six digit PIN" from your project's grant number at the beginning of the project name.** Your "six digit PIN" is the first six digits of your grant number.
 - For example for grant number PA0123L3T091811:
 - Applicant Name: DMA Homeless Services
 - Project Name: PA0123 - Elkins Park Rapid Re-Housing Project
- **The PDF file name should be: 2019 Renewal App – Agency Name – Project Name**
- **Regarding the question: "*Do project participants have access to SSI/SSDI technical assistance provided by the applicant, a subrecipient, or partner agency?*"--** All grantees can select "Yes" for this question. Fayette County Community Action Agency has stated that they can provide TA to any CoC applicant.
- **Prior to submitting your application,** check the Submission Summary to make sure ALL sections have been completed.
- **By August 20:** You will receive a project review form with required corrections.
- **By August 26 (or within 5 working days of receipt of your review):** You must **submit** your corrected application on e-snaps.

ATTACHMENTS - The following documents are attached to this email to assist with completing the above steps:

- **CoC NOFA Webinar from 7/23/19-** see slides 55-64 for e-snaps tip
- **Dropbox url links-** You will use these links to upload your project application.

RESOURCES - The following resources are also available to assist in the completion of your renewal project application:

- Main e-snaps CoC application page: <https://www.hudexchange.info/programs/e-snaps/>
- Project Applicant Profile: <https://www.hudexchange.info/resource/2958/instructions-for-updating-the-project-applicant-profile/>

- Consolidation: <https://www.hudexchange.info/resource/5723/consolidating-eligible-renewals-during-the-fy-2018-coc-program-competition/>
- Slides from the NOFA webinar held on July 23rd are attached to this email. The recording of that webinar is also available online at [DMA FY2019 CoC NOFA Webinar Recording](#).

CONSOLIDATION - If you are considering consolidating projects:

- Please let us know. If you intend to consolidate we will set up a Dropbox for submitting your application for consolidation.
- Please follow the instructions above to submit the individual applications in e-snaps for each renewal project that you would like to consolidate. Be sure to make no substantive changes to the budget or units, beds or households served.
- When submitting a consolidated renewal application, please include “Consolidation” or “Consolidated” in the Project Name so that we can distinguish that application from the individual applications.

If you have questions regarding completing your renewal project application(s), please email those to DMA at westerncoc@pennsylvaniacoc.org. We will work to assist you as quickly as possible. **The schedule for new projects and renewal ranking will be forthcoming.**

Thank you for your continued participation in the CoC application process and the work you and your agencies do to end homelessness everyday!
