

4B. Attachments Screen For All Application Questions

We have provided the following guidance to help you successfully upload attachments and get maximum points:

1. You must include a Document Description for each attachment you upload; if you do not, the Submission Summary screen will display a red X indicating the submission is incomplete.
2. You must upload an attachment for each document listed where 'Required?' is 'Yes'.
3. We prefer that you use PDF files, though other file types are supported—please only use zip files if necessary. Converting electronic files to PDF, rather than printing documents and scanning them, often produces higher quality images. Many systems allow you to create PDF files as a Print option. If you are unfamiliar with this process, you should consult your IT Support or search for information on Google or YouTube.
4. Attachments must match the questions they are associated with.
5. Only upload documents responsive to the questions posed—including other material slows down the review process, which ultimately slows down the funding process.
6. If you cannot read the attachment, it is likely we cannot read it either.
 - . We must be able to read the date and time on attachments requiring system-generated dates and times, (e.g., a screenshot displaying the time and date of the public posting using your desktop calendar; screenshot of a webpage that indicates date and time).
 - . We must be able to read everything you want us to consider in any attachment.
7. After you upload each attachment, use the Download feature to access and check the attachment to ensure it matches the required Document Type and to ensure it contains all pages you intend to include.
8. Only use the "Other" attachment option to meet an attachment requirement that is not otherwise listed in these detailed instructions.

Letter from CoC Funding Committee and Board Member

Hello, my name is Richard Blews and I am writing this letter in strong support of the Western PA CoCs 2023 CoC NOFO Application.

I am a person with lived experience of homelessness and was homeless with my (then) pregnant wife and kids for a period of six months. We were living out of our van when a rent to own home we were trying to purchase was beyond livable and able to fixed for adequate housing. Programs funded through the CoC allowed my family and I to become self-sufficient and acquire/hold onto housing permanently. I share this part of my story because it was the ground work of who I am today, a grateful and humble person that gives back to the community that gave so much to me. I work with homeless individuals and individuals with mental health/drug and alcohol diagnosis to assist them in having a better life, meaning their boosting their wellness/self-esteem while ensuring their needs are being met.

Because of the Western CoC, I got my family's and I life back, and now I am participating in the CoC as a Member/Chair of the Funding Committee and a Member of the Governing Board. The role of the funding committee is to evaluate, rank and ensure quality housing models and services are being provided to individuals in communities throughout Western PA along with filling gaps in services by providers seeking funding for new programming to combat those gaps. The Funding Committee has a lot of responsibility when it comes to renewal scoring, ranking and allocating resources to providers and it is a role I take very seriously and to heart. I have been participating in the Funding Committee since the end of 2022 and am beginning the Governing Board in October of 2023.

I am writing all of this in full support of the CoC's priorities to serve households experiencing homelessness in Western Pennsylvania.

Respectfully,

A handwritten signature in black ink, appearing to read 'Richard C. Blews', with a long, sweeping flourish extending to the right.

Richard C. Blews

Letter sent to CoC grantee in spring 2023
related to Housing First Policy Review

June 19, 2023

redacted

Dear redacted

As part of the 2023 Renewal Scoring Process, the Funding Committee requested that all CoC grantees submit copies of their policies related to Housing First implementation, including 1) admissions/intake policies, 2) rules/expectations for clients, and 3) termination/discharge/appeal policies.

Process for reviewing policies:

Submitted policies were reviewed by two different DMA staff for alignment with Housing First policies. The two DMA staff conferred with each other on findings. The DMA team identified potential areas that appear to not be aligned with Housing First, and/or areas lacking detail related to Housing First. While the focus of the review was on Housing First, if the DMA team identified other areas that were not in compliance with HUD requirements those were also flagged. DMA provided a summary of the identified issues to the Funding Committee and Committee members reviewed the list of issues.

We are now notifying you in writing of potential areas of concern. Please see spreadsheet included with this letter. In addition, we are providing all grantees with a list of general themes/issues that were seen throughout many programs (see next page). Though these general issues may or may not apply to your program(s), we ask that you review the list of general themes/issues that were identified across programs.

Next Steps:

- CoC grantees are asked to complete a brief survey by **Friday July 14, 2023 at 5pm** which asks for information on your plan and timeline to resolve any outstanding questions/issues. <https://survey.alchemer.com/s3/7377399/West-HF-Next-Steps>
 - For some grantees, the Funding Committee had questions about a certain policy. If the Funding Committee asked for additional information, you will be asked to provide the requested information as part of your survey response.
- The Funding Committee requests that any identified issues be resolved and policies be updated no later than **December 31, 2023**. We recognize that it may take some agencies time to review the issues and update their policies.
- You will be asked to resubmit your policies in advance of the 2024 renewal scoring process. During the 2024 Renewal Scoring Process, the Funding Committee plans to evaluate whether grantees updated the identified areas.

Sincerely,

General Themes/Concerns Across All Providers

Below you will find a list of common themes that DMA identified when reviewing policies. We recommend that you review your policies related to the items below, even if these specific items were not identified for your program(s).

1	No Housing First language anywhere in policies. Punitive-focused rules, without any Housing First language about how the program will support the participant to be successful. Termination policies did not include any language about termination being a last resort and the program will make every effort to support participant to retain housing.
2	Some programs did not include termination appeal language and/or appeal policy did not comply with HUD requirements. See: https://www.hudexchange.info/homelessness-assistance/coc-esg-virtual-binders/coc-esg-additional-requirements/participant-termination/
3	Program indicates a max income requirement at entry or annual assessment (e.g., 30% or 50% AMI) . There are no maximum income requirements at entry or annual assessment for CoC-funded programs.
4	Lack of language that a lease termination does NOT necessarily equal program termination. Even if a participant's lease is terminated, that should not automatically result in a program termination.
5	<p>Some programs have incorrect or missing language about retention of assistance after death, incarceration, or institutionalization for more than 90 days in PSH. Per CoC interim rule: "(i) Retention of assistance after death, incarceration, or institutionalization for more than 90 days of qualifying member. For permanent supportive housing projects surviving, members of any household who were living in a unit assisted under this part at the time of the qualifying member's death, long-term incarceration, or long-term institutionalization, have the right to rental assistance under this section until the expiration of the lease in effect at the time of the qualifying member's death, long-term incarceration, or long-term institutionalization."</p> <p>In general, regardless of project type, there appeared to be unclear and/or inconsistent language from programs around temporary unit vacancies and abandonment.</p>
6	No pets allowed language that does not include provisions for service animals. Programs should follow HUD guidance on how to determine appropriate accommodations for support animals and ensure their policies include language re: support animals. See HUD guidance here "Assessing a Person's Request to Have an Animal as a Reasonable Accommodation Under the Fair Housing Act": https://www.hud.gov/sites/dfiles/PA/documents/HUDAsstAnimalNC1-28-2020.pdf .
7	Prioritization language not updated with current Written Standards. Programs should ensure their prioritization language is aligned to current Written Standards.
8	Only allowing 3rd party verification of homelessness. If 3rd party documentation cannot be obtained, program should document efforts to obtain it but must accept self-certification. https://files.hudexchange.info/resources/documents/HomelessDefinition_Recordkeeping_RequirementsandCriteria.pdf
9	Requiring ID documents (birth certificate, SS card, photo ID) as a condition of enrollment. Program should support participants with obtaining missing ID documents, but lack of ID documents should not preclude a household from being enrolled.

<p>10</p>	<p>Requiring movement on participant goal plan as a condition of staying in program. Participants should not be terminated based on compliance with treatment plan or goal plan - this is not aligned with Housing First or the Written Standards.</p> <p>See pages 11-12 of Western PA CoC Written Standards: "Supportive services emphasize engagement and problem-solving over therapeutic goals. Services plans are highly tenant-driven without predetermined goals. Participation in services or Project compliance is not a condition of PSH. RRH Projects may require case management as a condition of receiving rental assistance. Participation in services or project compliance is not a condition of staying in the project." https://pennsylvaniacoc.org/sites/default/files/attachments/2021-03/Western%20PA%20CoC%20Written%20Standards approved%2030 21.pdf</p>
<p>11</p>	<p>Policies indicate that it is up to the participant to identify their rental unit and does not indicate what support the program will provide to participants related to housing search.</p>
<p>12</p>	<p>Charging additional fees for participants above and beyond rental contributions or occupancy charges. No other fees beyond rent contributions (rental assistance) and occupancy charges (leasing/operating) are allowed per HUD. See HUD video here: https://www.youtube.com/watch?v=zOS3X9T52us</p>
<p>13</p>	<p>Inconsistent or contradictory policies.</p>

Issues specific to your organization: redacted

<u>Issue</u>	<u>Reasoning</u>	<u>Action Requested</u>
There is little to no Housing First language in the policies	It is important that CoC-funded programs proactively share with participants that the program follows a Housing First approach, and includes language about this in client-facing and employee-facing policies. This should include how the program will support the participant to be successful in the program (including avoiding termination except as last resort).	We recommend that you update your policies to include language from pages 11-12 and page 15 (termination) in the Written Standards (Housing First).
Documents submitted did not include any client-facing rules/expectations documents or termination documents.	The program should have documents for participants that outline program rules/expectations and termination procedures (including grievance policies).	Client-facing policies for rules and termination should be created if they do not currently exist. Policies should align with Written Standards and Housing First.

Dear Western PA CoC-funded Grantees-

Please read this important message about submission of Renewal Project Applications for the 2023 CoC NOFO Competition.

As part of the Eastern PA CoC's Consolidated Application for the 2023 CoC Competition, DMA will undertake a review of all renewal project applications prior to the submission of these applications into the e-snaps system by grantees. ***E-snaps is now open, so grantees can access their renewal applications.*** Instructions for submitting this information are provided below.

- **By August 14th at 5pm:** All agencies with renewal project applications are being asked to **provide a PDF of your completed Renewal Project Application(s)** exported from e-snaps.
- **The PDF of your Renewal Project Application should be submitted to Dropbox.** Attached to this email you will find a list of Dropbox links; each project will have its own unique link.
- **Please DO NOT SUBMIT your Renewal Project Application(s) in e-snaps.** If you accidentally submit the application, please contact us at westerncoc@pennsylvaniacoc.org and we will release the application back to you.
- **IMPORTANT REMINDER REGARDING PROJECT NAMES:**
 - When you set up your FY2023 renewal project in e-snaps, **you must insert the "six-digit PIN" from your project's grant number at the beginning of the project name.** Your "six-digit PIN" is the first six digits of your grant number.
 - For example: for grant number PA0123L3T091811:
 - Applicant Name: DMA Homeless Services
 - Project Name: PA0123 - Elkins Park Rapid Re-Housing Project

- **The PDF file name should be: 2023 Renewal App – Agency Name – Project Name**
- **Prior to submitting your application**, check the Submission Summary to make sure ALL sections have been completed.
- **By September 5th**: You will receive a project review form with required corrections.
- **By September 12th (or within 5 working days of receipt of your review)**: You must **submit** your corrected application on e-snaps.

DOCUMENTS ATTACHED TO THIS EMAIL - The following documents are attached to this email to assist with completing the above steps:

- **Dropbox instructions and url links**- You will use these links to upload your project application.
- **CoC Project Applications & e-snaps: 2022 Tips and Troubleshooting Guide** - We are sending the guide from 2022, as we believe the e-snaps submission process will be very similar in 2023. Once HUD's detailed instructions are out, we will send an updated version.

NOTES REGARDING RESOURCE DOCUMENTS:

- **NOTE:** We believe HUD will be publishing the final Grant Inventory Worksheet (GIW) in the next few days. We will send that out once it is published. Grantees should use the information on the final GIW when completing their budgets in e-snaps.
- The CoC hosted a NOFO webinar on 7/26/23. The webinar recording and slides are available on the CoC website on the CoC NOFO Competition page: <https://pennsylvaniacoc.org/eastern-pa-coc-2023-coc-nofo-competition>.

CONSOLIDATION - If you are considering consolidating projects:

- Hopefully we have already heard from you about this. If not, please reach out ASAP to DMA.
- Please follow the instructions above to submit the individual applications in e-snaps for each renewal project that you would like to consolidate. Be sure to make no substantive changes to the budget or units, beds or households served.

If you have questions regarding completing your renewal project application(s), please first review the attached document “CoC Project Applications & e-snaps: 2022 Tips and Troubleshooting Guide” and the HUD instructions/guides referenced within the document.

After reviewing these resources, if you are still unable to resolve your issue, send DMA an email at westerncoc@pennsylvaniacoc.org. We will work to assist you as quickly as possible.

Thank you for your continued participation in the CoC application process and the work you and your agencies do to end homelessness every day!

Summary of which new project scoring
criteria meet which HUD thresholds

NEW PROJECTS

Below please find outlined which criteria meet HUD requirements as outlined in the NOFO. The full new project scoring tool can be found on the following pages:

1. Established total points available for each project application type. **See new project scoring tool page 4 (Annual CoC NOFO), page 8 (DV Bonus RRH or TH-RRH) and page 11 (DV Bonus SSO-CE).**
2. Had at least 33% of total points based on objective criteria. **The following criteria are objective criteria. Objective criteria make up 22 out of 58 maximum points (38%).**

Criteria #	Criteria	Max Points
1	Geography to be covered	2
15	System Performance Measures	10
16	Non-CoC Resources to Cover Housing Costs	5
17	Non-CoC Resources to Cover Healthcare/Service Costs	5

3. Had at least 20% of the total points based on system performance criteria. **The following criteria are related to system performance. System performance criteria make up 14 out of 58 maximum points (24%).**

Criteria #	Criteria	Max Points
12	Strong description of how project will assist participants to obtain and retain permanent housing	2
13	Strong description of how project will assist participants to access mainstream resources	2
15	System Performance Measures	10

4. Provided points for projects that addressed specific severe barriers to housing and services. **The following criteria considered specific severity of needs and vulnerabilities:**

Criteria #	Criteria	Max Points
3	Experience with project component type and/or target population	2
5	Experience servicing and improving outcomes for communities that have historically been marginalized , and organizational capacity to promote racial equity	2

5. Used data from comparable database to score projects submitted by VSPs. **As indicated in the attached new project scoring tool, all current CoC-funded projects (including VSPs) are evaluated on performance in FY23 local renewal scoring process (which evaluated VSPs using DV comparable database data) – see criteria 15.**

6. Provided points for projects based on the degree the projects identified any barriers to participation (e.g., lack of outreach) faced by persons of different races and ethnicities, particularly those over-represented in the local homelessness population, and has taken or will take steps to eliminate the identified barriers. **The following criteria evaluated this:**

Criteria #	Criteria	Max Points
4	Project design and delivery of services are designed to promote equity	2
5	Experience serving and improving outcomes for communities that have historically been marginalized, and organizational capacity to promote racial equity	2

Westmoreland Community Action

RE : New project application submitted to Western PA CoC

Dear Kathryn,

Thank you for submitting an application to the Western PA CoC under the FY2023 Continuum of Care New Permanent Housing Project RFP. Westmoreland Community Action applied for an expansion of your existing PSH project (PA0600) in the amount of \$132,432. Your organization's application was reviewed by the Funding Committee.

The CoC had \$1,151,606 amount of CoC Bonus + Reallocation money available and received 10 eligible new project applications under the Annual CoC NOFO RFP totaling \$1,881,093 in requested funds. Due to limited funding available for new projects, unfortunately your application was not selected for funding. **This proposed project received the lowest score of all evaluated projects (41%), based on the new project scoring rubric. The Funding Committee had concerns about the cost effectiveness of the PA0600 project if awarded the expansion. The proposed expansion would put the average cost per household of the PA0600 project significantly above the CoC average for PSH projects.**

This project will not be included on the CoC's Priority Listing and will not be ranked.

The CoC's Appeal Policy is attached. Per the Appeal Policy, if you decide to appeal, you must send an email within 24 hours of receiving this notification (by Friday, August 25th at 12pm) to westerncoc@pennsylvaniacoc.org with the subject line, "Western PA CoC: New Project Selection Appeal". The project applicant will then have an additional 48 hours to submit their official appeal (due to weekend, additional information related to appeal would be due by Tuesday, August 29th at 12pm). The official appeal should provide any relevant rationale or documentation for consideration.

Thank you for your interest and commitment to the work that you do. If you would like to request technical assistance in order to understand how your application can compete more competitively next year, please reach out to the DMA, the CoC Consultant at westerncoc@pennsylvaniacoc.org after October 12, 2023.

RE : New project application submitted to Western PA CoC

Dear Jeanne,

Thank you for submitting an application to the Western PA CoC under the FY2023 Continuum of Care Annual CoC NOFO RFP.

Your organization submitted an application for an **expansion of PA0777 PSH** in the amount of \$22,000 (expand services only). As outlined in the new project RFP, HUD requires that expansion projects add units OR add beds OR add services (increase frequency or intensity of services) – *see page 5 of the new project RFP*. **Your application and budget proposed increasing salaries for staff and increasing operating costs, but the application did not propose adding units or beds nor increasing frequency/intensity of services. Please note that this requirement was also addressed in the CoC NOFO webinar hosted on 7/26/23 (and posted on CoC website) – see 1 hour 13 minute mark. As such, this application would not be eligible for expansion per HUD.**

Based on the information outlined in the paragraph above, this project did not meet eligibility/threshold review and will not be accepted as a new project. This project will not be included on the CoC's Priority Listing and will not be ranked.

The CoC's Appeal Policy is attached. Per the Appeal Policy, if you decide to appeal, you must send an email within 24 hours of receiving this notification (by Friday, August 25th at 12pm) to westerncoc@pennsylvaniacoc.org with the subject line, "Western PA CoC: New Project Selection Appeal". RE : New project application submitted to Western PA CoC

Dear Nicole,

Thank you for submitting an application to the Western PA CoC under the FY2023 Continuum of Care Annual CoC NOFO New Project RFP. Your organization's application was reviewed by the Funding Committee. Your application received a score of 80% from the Funding Committee, based on the new project scoring rubric.

- Arise submitted an application requesting \$184,710 for a new DV-dedicated PSH program serving Lawrence County.
- **Arise has been approved to apply for a new DV-dedicated PSH project in the amount of \$164,000 under a combination of CoC Bonus and Reallocation funds. This is lower than requested amount, as the Funding Committee had concerns about the cost per household of the proposed project, which would be much higher than the CoC average for other PSH projects. The Funding Committee requests that you lower your services budget and rural budget line items (and reduce admin accordingly to no greater than 10%). The Funding Committee requests that you lower your proposed project budget to \$164,000.** If you need assistance re-working your budget to this reduced amount, please reach out to westerncoc@pennsylvaniacoc.org for assistance.
- **If you are not interested in applying for a project at the reduced amount, please notify the CoC no later than 12pm on Friday, August 25th.**
- This project will be included on the CoC's Priority Listing at the reduced amount and will be ranked.
- When completing your new project application in e-snaps, on Screen 6A Funding Request, question 2 "What type of CoC funding is this project applying for in this CoC Competition?" please select **Reallocation + CoC Bonus**.

Next steps:

- **Please respond by 5pm on Friday, August 25th to westerncoc@pennsylvaniacoc.org with the project's official name.** This must be the name that will be provided within your new project application to HUD.
- **Please see the next page for instructions and timelines for submitting your new project application.** Please review this information carefully and ensure that you meet the requested deadlines.
- DMA (CoC Consultant) will be reaching out to you within the next week or so to discuss the required documentation for healthcare and housing leveraging, as your application indicated that this project will utilize healthcare leveraging (less than 25%) and housing leveraging (at least 25%).

Thank you for the commitment of your organization and staff to be a partner to the Western PA CoC as we work together to reduce and end homelessness.

RE : New project application submitted to Western PA CoC

Dear Nicole,

Thank you for submitting an application to the Western PA CoC under the FY2023 Continuum of Care Annual CoC NOFO New Project RFP. Your organization's application was reviewed by the Funding Committee. Your project received a score of 54% from the Funding Committee, based on the new project scoring rubric.

- County of Washington submitted an application requesting \$701,117 for a new TH-RRH program to serve Fayette, Washington, and Westmoreland counties.
- The CoC had \$1,151,606 amount of CoC Bonus + Reallocation money available and received 10 eligible new project applications under the Annual CoC NOFO RFP totaling \$1,881,093 in requested funds.
- **County of Washington has been approved to apply for a new TH-RRH program under the CoC Bonus in the amount of \$280,000. This is lower than requested amount, due to limited funds available. The Funding Committee requests that you lower your proposed project budget to \$280,000. While the Funding Committee appreciated the intent of the project, the Committee felt that the scope and budget were too large for a new project. The Funding Committee requests that you lower your budget to approximately 3 TH units and 12 RRH units, and lower your operations, supportive services and admin budgets accordingly.** If you need assistance re-working your budget to this reduced amount, please reach out to westerncoc@pennsylvaniacoc.org for assistance.
- **If you are not interested in applying for a new project at this reduced amount, please notify the CoC no later than 12pm on Friday, August 25th.**

Metric 1.1: Change in the average and median length of time persons are homeless in ES and SH projects.
Metric 1.2: Change in the average and median length of time persons are homeless in ES, SH, and TH projects.

a. This measure is of the client's entry, exit, and bed night dates strictly as entered in the HMIS system.

	Universe (Persons)		Average LOT Homeless (bed nights)			Median LOT Homeless (bed nights)		
	Submitted FY 2021	FY 2022	Submitted FY 2021	FY 2022	Difference	Submitted FY 2021	FY 2022	Difference

1.2 Persons in ES, SH, and TH	1685	1921	76	69	-7	33	34	1

b. Due to changes in DS Element 3.17, metrics for measure (b) will not be reported in 2016.

This measure includes data from each client's "Length of Time on Street, in an Emergency Shelter, or Safe Haven" (Data Standards element 3.17) response and prepends this answer to the client's entry date effectively extending the client's entry date backward in time. This "adjusted entry date" is then used in the calculations just as if it were the client's actual entry date.

NOTE: Due to the data collection period for this year's submission, the calculations for this metric are based on the data element 3.17 that was active in HMIS from 10/1/2015 to 9/30/2016. This measure and the calculation in the SPM specifications will be updated to reflect data element 3.917 in time for next year's submission.
