

Western PA CoC Coordinated Entry Training Series

March 1, 2024

Overview for Today

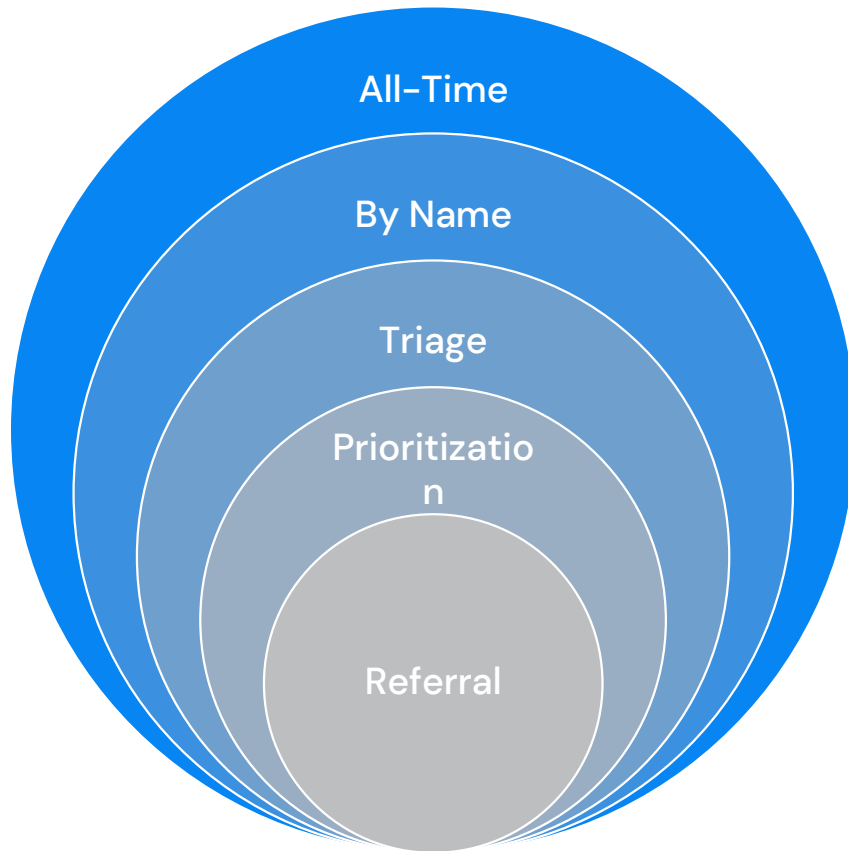

- Our time will be split between two primary focal areas:
 - Check-in on Regional P/P and Approaches
 - Introducing the Housing Problem Solving Phases

Learned Lessons and Recommendations

List Overlaps

All-Time List

- Includes everyone (past and present) who has ever accessed Coordinated Entry

By Name List

- Includes everyone who is currently active with Coordinated Entry
 - No more than 90 days since last contact with CE System

Triage List

- Everyone who has exited the Housing-Problem Solving Period
 - Has completed CE Assessment (HN/SN, VI-SPDAT)
 - Is (and remains) Active with CE System
 - No more than 90 days since last contact with CE System

Prioritization List

- Everyone who has been Triaged and moved to Case Conferencing using Regional P/P
 - Is (and remains) Active with CE System

Referral List

- Everyone who has received a Referral for PSH, RRH, TH, etc.

Some Items to Consider

List Protocols

- Review P/P to align language with current Case Conferencing practices
 - Item 6 – Prioritization List – Should be connected to referral lists and not separate Prioritization Lists

Re-thinking Frequency and Purpose of Case Conferences:

- Suggesting each Region move to weekly meetings
- Real-time updates for referrals and status, reactivity to special cases, identification of program opportunities
- Additional problem-solving conversation for Prioritized List Households not receiving referrals

Moving from Triage to Prioritization:

- Suggesting using a more automated methodology

Data, Data, Data – Using the System and Our Tools

Capturing All Clients

- Not waiting to enroll clients in the CE system

Using Notes

- Adding updates to the notes section

Follow-up Policy

- Creating expectations around engagement following referrals

Some Items to Consider

List Management

- https://docs.google.com/document/d/17ltClnXZF-utcJnsDUPgVOc7sm1ECkC2w6a4j3s_EJM/edit?pli=1

The background of the slide features decorative, light gray curved lines that sweep across the top and bottom corners, creating a sense of movement and design.

Regional P/P

- **Regional Breakout Discussion**
 - What's Going Well?
 - What Can Be Improved?
 - Do Our Policies Meet Our Needs?

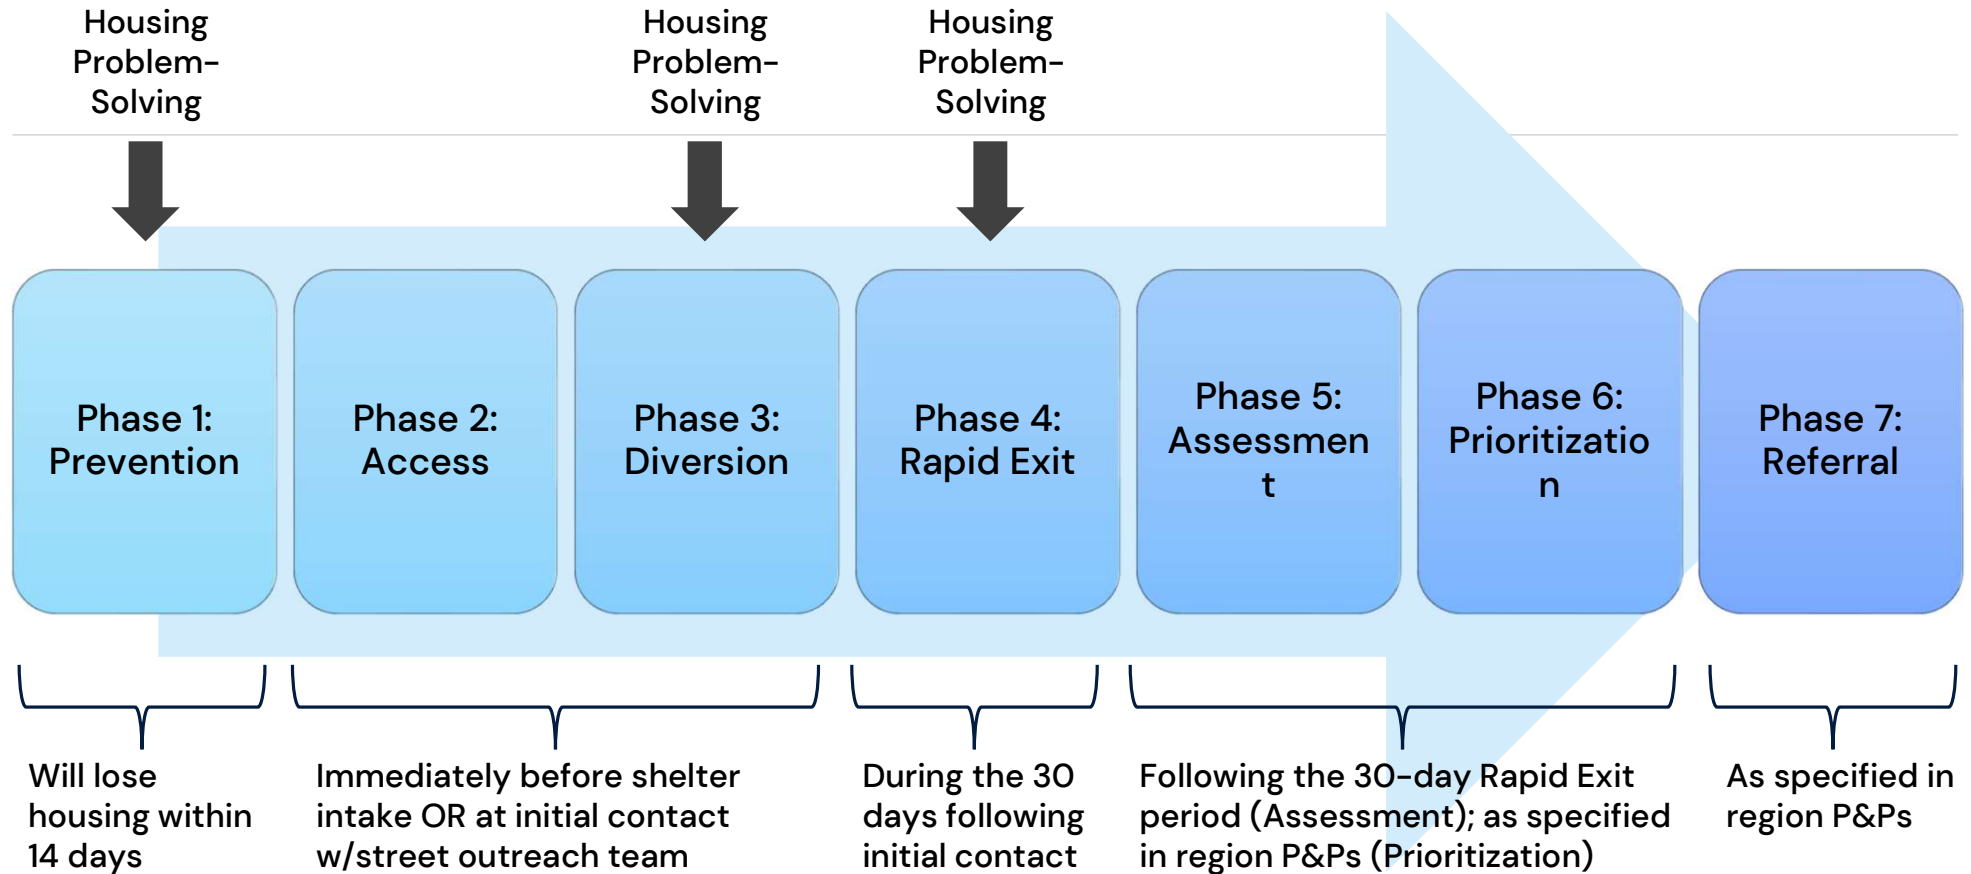

Regional P/P

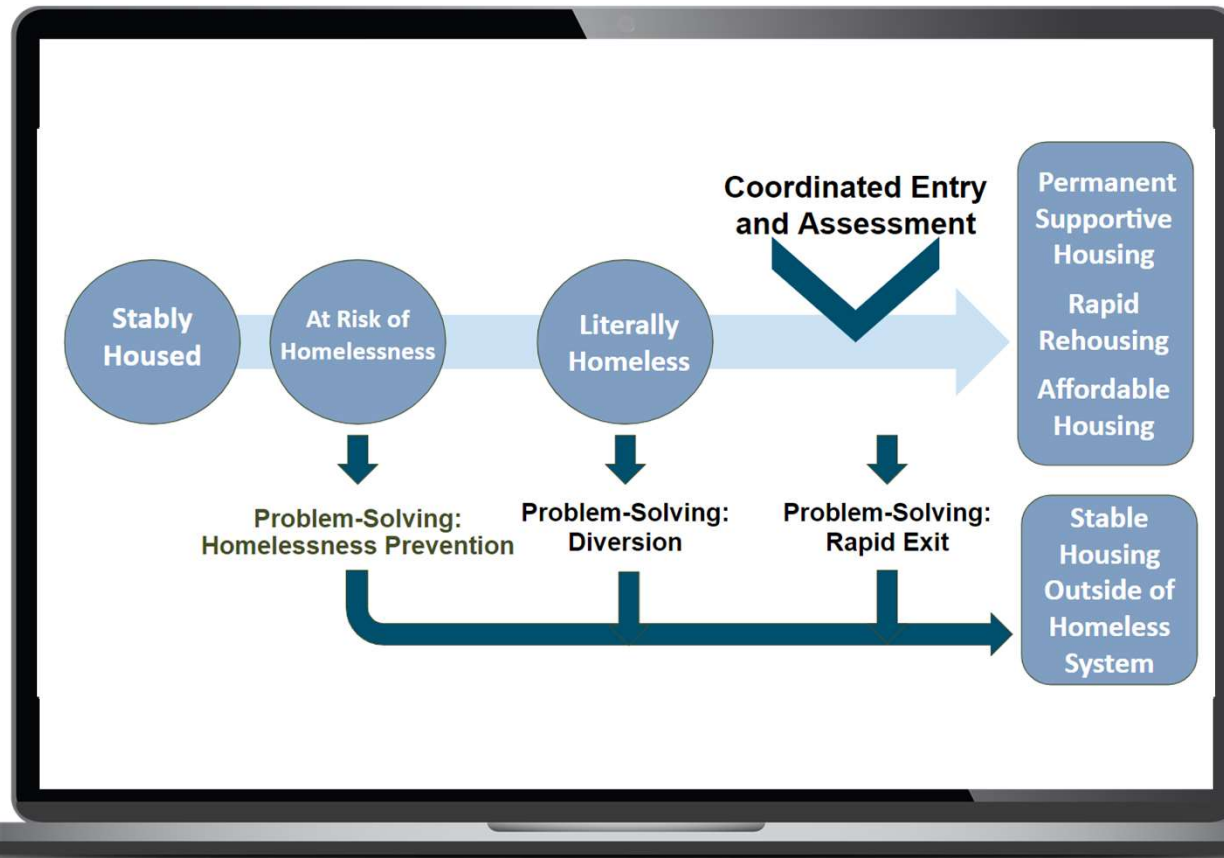

Housing Problem-Solving

Coordinated Entry Flow and Housing Problem Solving

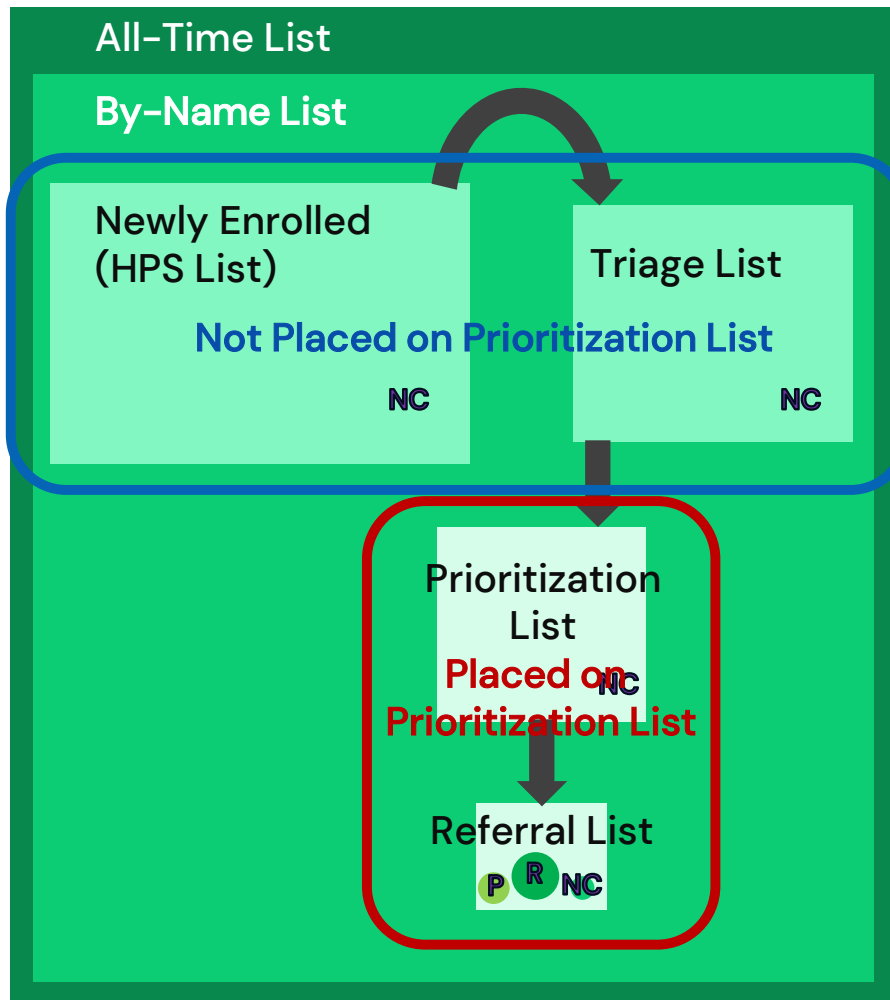

System-Wide Housing Problem-Solving

There are multiple pathways to housing using HPS strategies at multiple points of engagement within the Homeless Response System

List Overlaps – Through the Lens of HMIS

All-Time List

- Data that can be accessed using HMIS Reports
 - CE Specific Reports, Enrollment Reports

By-Name List

- Data that can be accessed using HMIS BNL Tool or Reports
- Represents Both Prioritized List and Non-Prioritized List

Triage List

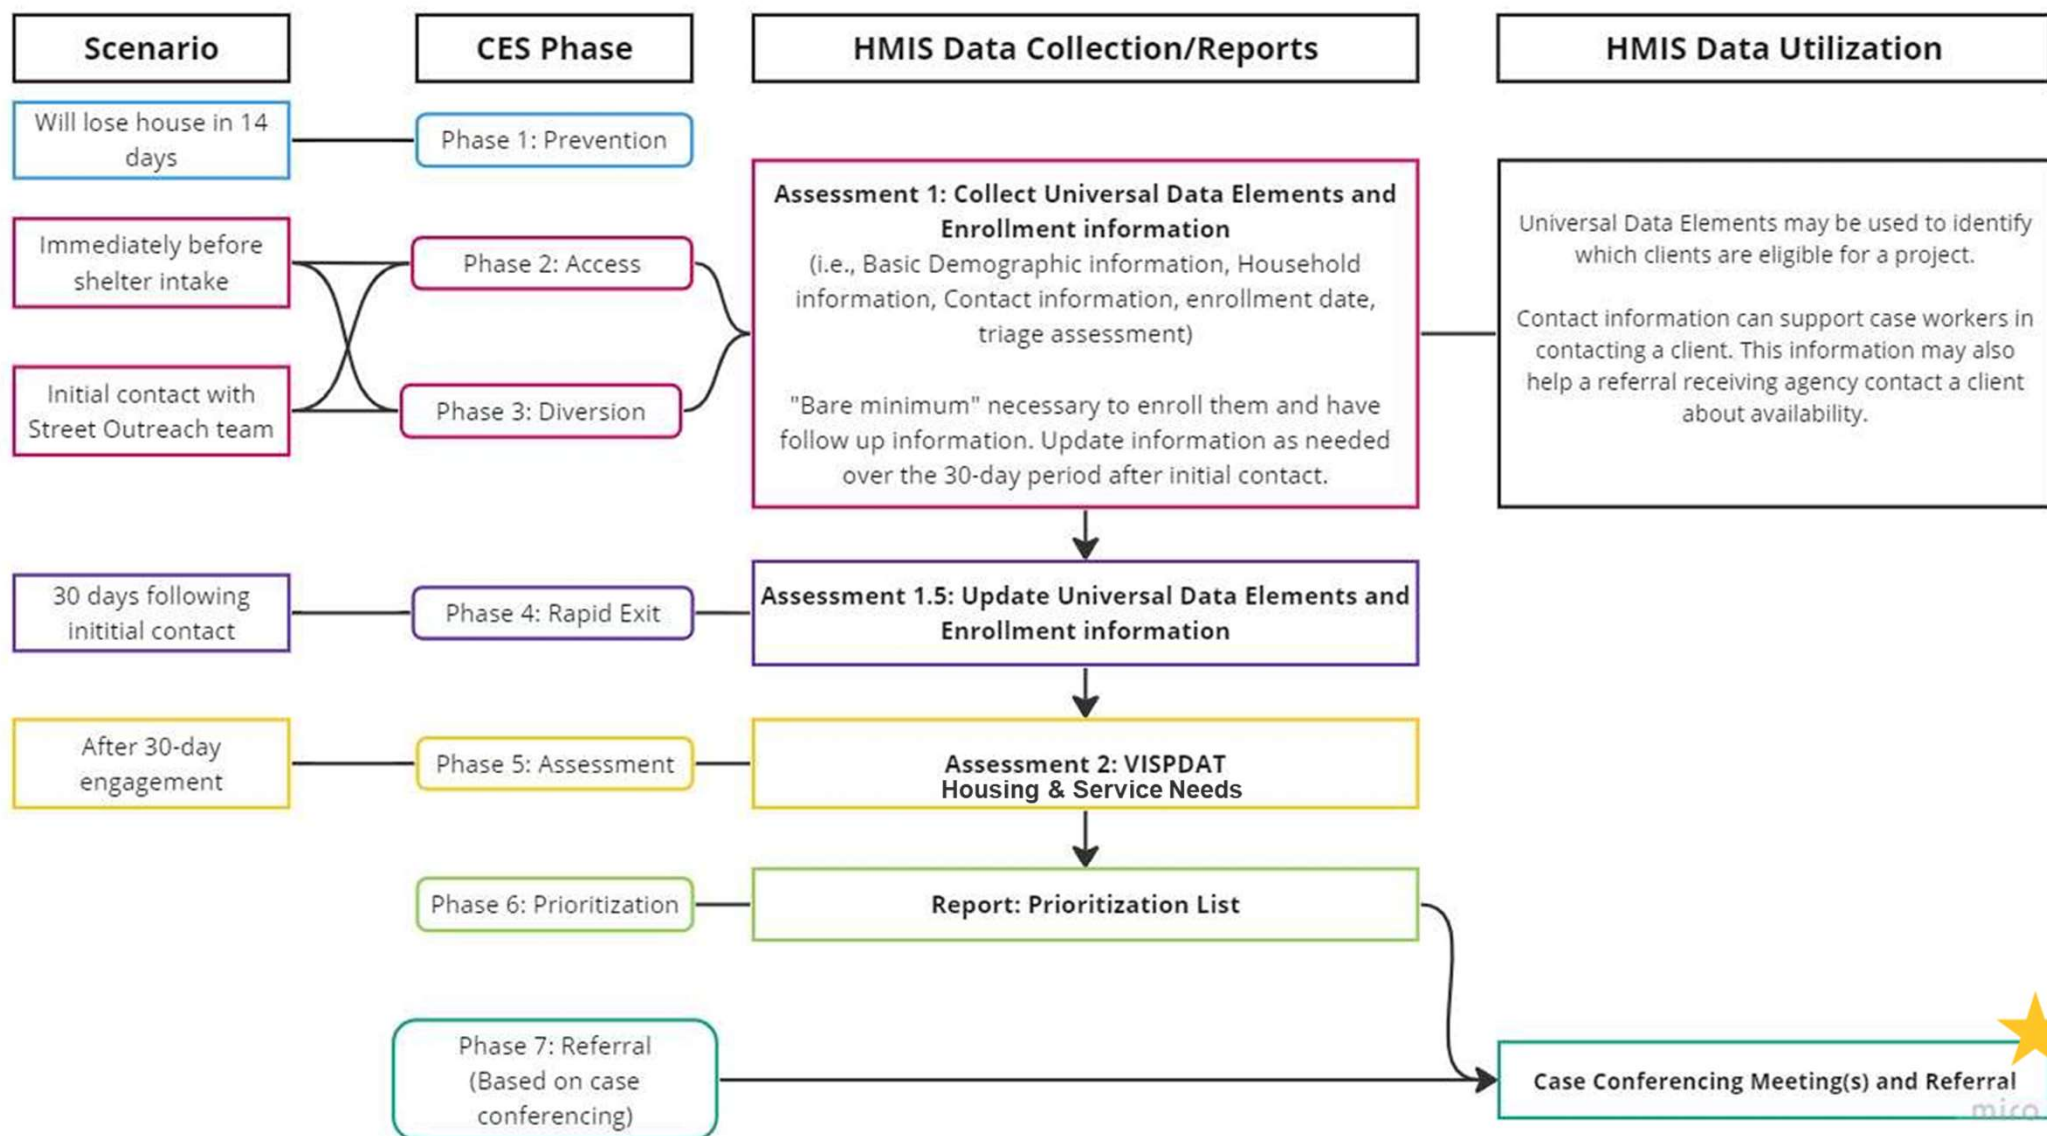

- Data that can be accessed as Subset of Non-Prioritized List
- Available only by exporting and Examining BNL Data

Prioritization List

- Data that can be accessed using Prioritized List

Referral List

- Data that can be accessed on Dashboard (once Referrals are active)
- Otherwise, maintained as an External Regional Excel List

The background of the slide features several sets of thin, curved lines in a light gray color, some solid and some dashed, creating a sense of motion or a stylized architectural design.

Housing Problem-Solving

- **A Review Inside HMIS and the DV Parallel Tool**
