

Before Starting the Project Listings for the CoC Priority Listing

The CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be completed and submitted prior to the CoC Program Competition submission deadline stated in the NOFO.

The CoC Priority Listing includes:

- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects or if a project applicant will transition from an existing component to an eligible new component.
- Project Listings:

- New;
- Renewal;
- UFA Costs;
- CoC Planning;
- YHDP Renewal; and
- YHDP Replacement and Reallocation.
- Attachment Requirement

- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- New and Renewal Project Listings – all CoC project applications must be reviewed, approved and ranked, or rejected based on the local CoC competition process.
- Project applications on the following Project Listings must be approved and are not ranked per the FY 2024 - FY 2025 CoC Program Competition NOFO:

- UFA Costs Project Listing;
- CoC planning Project Listing;
- YHDP Renewal Project Listing (All Rounds); and
- YHDP Replacement and Reallocation Project Listing.
- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND ranked or approved BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

2-1 Is the CoC reallocating funds from one or more eligible renewal grant(s) that will expire in Calendar Year 2025 into one or more new projects? Yes

Alert:

As stated in the FY 2024 - FY 2025 CoC Program Competition NOFO:

- CoCs may reallocate YHDPs project from any Round to create new YHDP projects, so long as the project eliminated or reduced has renewed during the CoC Program Competition at least once.

Reallocated YHDP funding can ONLY be used to create new YHDP projects.

- If a CoC reallocates funding from a renewal project that was previously awarded DV Bonus funding, any new project created with such funding must be 100 percent dedicated to serving individuals and families of persons experiencing trauma or a lack of safety related to fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking who qualify under the definition of homeless at 24 CFR 578.3 or section 103(b) of the McKinney-Vento Homeless Assistance Act.

3. Reallocation - Grant(s) Eliminated

CoCs reallocating eligible CoC, DV Renewal or YHDP renewal project funds to create new project application(s) – as detailed in the FY 2024 - FY 2025 CoC Program Competition NOFO – may do so by eliminating one or more expiring eligible projects.

CoCs that are eliminating eligible CoC, YHDP and DV Renewal projects must identify the funding source for those projects on this form.

YHDP Renewal Grants and DV Renewal Grants may only be reallocated to create new projects that serve the same populations/subpopulations as the projects the funding was reallocated from.

CoCs reducing eligible renewal projects must identify the funding source for those projects on this form.

YHDP Renewal Grants and DV Renewal Grants may only be reallocated to create new projects that serve the same populations/subpopulations as the projects the funding was reallocated from.

Reduced Project Name: PA0716 - Armstrong-Fayette Rapid Rehousing Program

Grant Number of Reduced Project: PA0716

Funding Type: CoC Renewal

Reduced Project Current Annual Renewal Amount: \$131,419

Amount Retained for Project: \$105,135

(This amount will auto-calculate by selecting "Save" button)

4-2. Describe how the CoC determined that this project should be reduced and include the date the project applicant was notified of the reduction. (limit 750 characters)

The project applicant was notified of a partial reallocation/reduction on 7/8/24. The Funding Committee recommended to partially reduce this project which was approved by Non-Conflicted members of the CoC Governing Board, per CoC Funding Policies. The determination was made due to underspending for the past 4 fully completed grant years. The CoC has sent monitoring letters and provided technical assistance related to the underspending but had not seen notable improvement. Therefore the Funding Committee opted to reduce the grant by 20%.

4. Reallocation - Grant(s) Reduced Details

Instructions:

For guidance on completing this form, please reference the FY 2024 CoC Priority Listing Detailed Instructions and FY 2024 CoC Priority Listing Navigational Guide on HUD's website. https://www.hud.gov/program_offices/comm_planning/coc/competition.

4-1 Complete the fields below for each eligible renewal grant that is being reduced during the FY 2024 reallocation process. Refer to the FY 2024 Grant Inventory Worksheet to ensure all information, including the funding source entered is accurate.

Reduced Project Name: PA0458 DuBois Housing Authority Shelter Plus Care

Grant Number of Reduced Project: PA0458

Funding Type: CoC Renewal

Reduced Project Current Annual Renewal Amount: \$410,443

Amount Retained for Project: \$330,212

Amount available for YHDP Project(s): \$0
(This amount will auto-calculate by selecting "Save" button)

Amount available for New DV Project(s): \$0
(This amount will auto-calculate by selecting "Save" button)

Amount available for New Project(s): \$80,231
(This amount will auto-calculate by selecting "Save" button)

4-2. Describe how the CoC determined that this project should be reduced and include the date the project applicant was notified of the reduction. (limit 750 characters)

The CoC formally documented the project applicant's voluntary partial reduction of this grant in writing which was sent to applicant via email on 8/27/24. The project applicant opted to voluntarily reduce their grant due to rental assistance costs being lower than anticipated year-over-year due to tenant rent contributions, and serving smaller household sizes than projected, on average. As such, the applicant opted to reduce/right-size the budget to closer to actual rental assistance spending.

This process may take a few minutes based upon the number of new projects submitted by project applicant(s) to your CoC in the e-snaps system. You may update each of the Project Listings simultaneously. To review a project on the New Project Listing, click on the magnifying glass next to each project to view project details. To view the actual project application, click on the orange folder. If you identify errors in the project application(s), you can send the application back to the project applicant to make the necessary changes by clicking the amend icon. It is your sole responsibility for ensuring all amended projects are resubmitted, approved and ranked or rejected on this project listing BEFORE submitting the CoC Priority Listing in e-snaps. https://www.hud.gov/program_offices/comm_planning/coc/competition.

WARNING: If you amend project applications back to project applicants to make changes or corrections in e-snaps, you must approve the resubmitted project applications. If you do not approve the resubmitted project applications, they will not be included on your CoC’s Priority Listings, which could result in your CoC losing funding. HUD lacks the authority to fund projects unless they are included on the Priority Listings, which informs HUD which projects your CoC is prioritizing.

Continuum of Care (CoC) YHDP Replacement and YHDP Reallocation Listing

Instructions:

Prior to starting the YHDP Replacement and YHDP Reallocation Project Listing, review the CoC Priority Listing Detailed Instructions and CoC Priority Listing Navigational Guide available on HUD's website.

To upload all YHDP Replacement project and YHDP Reallocation project applications, submitted to this Project Listing, click the "Update List" button. This process may take a few minutes based upon the number of YHDP renewal projects submitted by project applicant(s) to your CoC in the e-snaps system.

You may update each of the projects simultaneously. To review a project on the YHDP Replacement and YHDP Reallocation Project Listing, click on the magnifying glass next to each project to view project details. To view the actual project application, click on the orange folder. If you identify errors in the project application(s), you can send the application back to the project applicant to make necessary changes by clicking the amend icon. It is your sole responsibility for ensuring all amended projects are resubmitted, approved and ranked (if applicable) or rejected on this project listing BEFORE submitting the CoC Priority Listing in e-snaps.

As stated in the FY 2024 - FY 2025 NOFO, YHDP Renewal, YHDP Reallocation and YHDP Replacement applications must not be ranked.
https://www.hud.gov/program_offices/comm_planning/coc/competition.

WARNING: If you amend project applications back to project applicants to make changes or corrections in e-snaps, you must approve the resubmitted project applications. If you do not approve the resubmitted project applications, they will not be included on your CoC's Priority Listings, which could result in your CoC losing funding. HUD lacks the authority to fund projects unless they are included on the Priority Listings, which informs HUD which projects your CoC is accepting.
